

Alignment to District Strategic Plan and Passport to Tomorrow

Middletown High School's 3-Pillar Core Model for Redesign

GOAL 1

*Readiness for Career,
College, Military, and Life*

**A Variety of Pathways
for Postsecondary Success**

- **Real-World Experiences:** Integrating authentic internships and advisory learning tailored to student interests.
- **Future Focused:** Offering comprehensive post-secondary planning ensuring readiness for pursuits in career, college, military, and life with potential for early access to an Associate's degree and industry credentials.

GOAL 2

*Student Resilience,
Engagement, and Voice*

**Empowering Student
Wellbeing and Agency**

- **Empowered Voices:** Prioritize student voice in decision-making and foster a culture of respect.
- **Collaborative Culture:** Promote a collaborative school culture, empowering students to actively shape their educational experiences and personal growth.

GOAL 3

Closing Learning Gaps

**High Quality, Engaging
Instructional Practices**

- **Instructional Innovation:** Modernize teaching models to support mastery of core academics and personalized student learning.
- **Staff Development:** Enhance staff skills with professional training focused on closing learning gaps through engaging and effective teaching practices.
